Planning notes

Plan the niche without back wall.

Door hinge not reversible.

No other electrical appliances should be installed above the GS.

Protrusion from appliance front to furniture cabinet 21 mm.

This appliance is intended for front flush installation.

No protruding front panel, horizontal handle, high cabinet top etc. should be fitted directly above the steam oven to prevent damage to the furniture.

The edge of a worktop must be steam resistant as is required above a dishwasher.

When planning a corner solution, pay attention to the side-opening door and the minimum required distance to the wall.

Door opening angle appr. 110° (delivery status) can be reduced to appr. 92° if required.

The mains socket must be accessible and located outside the built-in niche.
