

Enfasi
Range Cookers, Nero Fumo , E9F-6 NF/F

Features

- Aisi 441 stainless steel body – matt black painted
- Metal knobs and handles – matt black painted
- Fully moulded black enamelled gas hob or black glass induction
- Cold oven door with double glass
- Storage compartment
- Electronic oven timer with touch control
- Stainless steel adjustable feet (100-150 mm) – matt black painted
- No splashback and no ventilation openings on the top (perfect for island solutions)
- According to the standards of the most kitchen furniture manufacturers, the body height (78 cm) and its sizes, match those of the furniture cabinets, wich allows for a “slot-in” solution. This size and the adjustable feet allow for the plinth to run continuously along the cabinets and range cooker in perfect harmony
